

If you missed the deadline for enrollment for Driver's Education but would still like to enroll there are a few spaces available for second semester. Those classes will be filled on a "first come, first serve" basis. Please fill out the enrollment form on the back completely with your 1<sup>st</sup> and 2<sup>nd</sup> preference and return to the school office as soon as possible.

There has been a little confusion regarding what this class includes. It is the 30 hour "Joshua's Law" **classroom** course required by the state for any 16 year old who wishes to obtain their driver's license. I do activities with the Driver's Ed car in the parking lot like parallel parking, backing up, steering and 2 point turn but this is not the private one on one driving instruction. If you want the 6 Hours "Behind the Wheel" private instructions please indicate it on the enrollment form. I am scheduling those after school, weekends, and during the Thanksgiving and Christmas breaks for those who are interested.

The classes meet in room 6107 after school and on Saturdays. If you have any questions or want to schedule driving lessons please call me at 678-895-7009 or you may email me at [nancykreeder@gmail.com](mailto:nancykreeder@gmail.com).
